**REGULATION
ON APPELATION OF ORIGIN OF THE PRODUCT
AND GEOGRAPHICAL INDICATION**

I. GENERAL PROVISIONS

Content of the Regulation

Article 1

This Regulation regulates the content and form of the application for protection of geographical name, elaboration and other constituent elements and attachments to the application; content and form of the application for grant of right to use and other constituent elements; the requirements that shall fulfil the institution which prepares the elaboration and the other institution which pursues inspection of the specific characteristics of the product; content and manner of maintaining the Register of applications for protection of the geographical names, Register of applications for use of the protected geographical names, Register of the protected geographical names and Register of the users of the protected geographical name; the data for protected geographical name and granted right to the authorized user that are published in the Official Gazette of the State Office of Industrial Property (hereinafter: Office); content of the certificate for the granted right of authorized user; the content and form of the request for entry of the changes in the Register of the protected geographical names; the content and form of the request for entry of the changes of the applicant, i.e. authorized user in an appropriate register; the content and form of the request for renewal of the right validity for using the protected geographical name and the content of the request for cancellation of the decision of the granted right for use of the protected geographical name.

II. APPLICATION FOR PROTECTION OF GEOGRAPHICAL NAME AND APPLICATION FOR GRANT OF A RIGHT TO USE

Content and form of the application for protection of geographical name and Elaboration

Article 2

- (1) Application for protection of geographical name shall contain:
- 1) Request for protection of geographical name, indicating that protection by appellation of origin or geographical indication is sought and
 - 2) Elaboration for the product which shall be marked by geographical name (hereinafter: Elaboration).
- (2) Application for protection of geographical name that is filed by a foreign person shall contain:
- 1) Request for protection of geographical name, indicating that protection by appellation of origin or geographical indications sought and
 - 2) Evidence that the geographical name is protected in the country of origin.
- (3) As an evidence that geographical name has been protected in the country of origin, shall be considered a copy of public certificate or other legal act in the official language of the country of origin, as well as certified translation in Macedonian language in one copy.
- (4) Certified translation in Macedonian language of paragraph 3) of this Article may be filed in a term of one month from a date of filing the application.
- (5) The Request of paragraph (1) of this Article shall be filed in three copies in the Form DZIS-GN1, on A4 paper size, given in Appendix 1, which forms an integral part of this Regulation.

Other constituent elements and attachments to the application

Article 3

- (1) The following constituent elements and attachments in written form shall be enclosed to the application for protection of the geographical name of Article 2 of this Regulation:
- 1) Data for other applicants and statement for joint agent if the application has been filed by several applicants and
 - 2) Power of attorney if the application is filed through a representative.

(2) The constituent elements and attachments of paragraph (1) of this Article shall contain signature and seal of the applicant, i.e. of the representative if the application is filed through a representative.

(3) If the constituent elements and attachments of paragraph (1) in this Article are filed additionally, they should contain the application number of the application for protection of the geographical name (hereinafter: "GN- number").

Supplement to the form

Article 4

(1) If the space provided in the related section of the request for DZIS-GN1 is not sufficient, the requested data shall be enclosed as a separate supplement to the Form in total content, indicating the number of the section to which the supplement refers to.

(2) The Office shall not examine data punctuality listed in the request for protection of a geographical name.

Content of Elaboration

Article 5

(1) Elaboration shall contain:

- 1) Geographical name of a product that shall be protected;
- 2) Brief chronology for the production of a product marked by geographical name;
- 3) Data for geographical region as origin of a product whose geographical name shall be protected:
 - Closer determination of geographical region, administrative and natural borders
 - Geographical map, i.e. geographical map of the Republic of Macedonia, where a geographical region as origin of the geographical name shall be marked, as well detailed map of this region
 - Other data characteristic for that region as climate, hydrograph, characteristics of a soil and vegetation;
- 4) Professionally prepared description of the method and procedure of production, i.e. manufacture of a product that shall be marked by an appellation of origin or geographical indication;

5) Data for specific features and quality of product and the relation of those specific features of a product by the area, climate and soil or with the ordinary manner and procedure of production, i.e. manufacture.

6) Data for the possible capacity of annual production of a certain product, by expected annual increase of a capacity or possible variations depending on a product type.

7) Control of a product:

- Frequency of the inspection, in dependence of the type of the product concerned and
- Possibility for inspection by other institution upon a request of one of the parties.

(2) Each of the components of the Elaboration shall begin with a new sheet. All sheets shall be numerated by Arabic numerals and beside each title a signature and seal of the author of the Elaboration shall be put.

(3) The evidence for the activity of the author of the elaboration shall be its integral part.

Content and form of the application for grant of right to use

Article 6

The application for grant of a right to use shall contain:

- 1) Request for granting a right to use the protected geographical name and
- 2) Components depending on requested protection in Articles 9 and 10 of this Article;

Other constituent elements and attachment

Article 7

(1) Besides the constituents elements of Article 6 the following constituents elements and attachments in written form shall be enclosed to the application for grant of a right to use:

- 1) Data for other applicants and statement for joint agent if the application has been filed by several applicants and
- 2) Power of attorney if the application is filed through a representative.

(2) The constituent elements and attachments of paragraph (1) of this Article shall contain signature and seal of the applicant, i.e. of the representative if the application is filed through a representative.

(3) When the components and supplements of paragraph (1) in this Article are filed additionally, they should contain the application number of the application for grant of a right to use (hereinafter: "OK- number") to which shall be enclosed.

Request for grant of a right to use of a protected geographical name

Article 8

(1) The request from Article 6 paragraph 1) of this Regulation shall be filed in the Form DZIS-OK1, three copies, on A4 paper size, given in Appendix 2, which forms an integral part of this Regulation.

(2) If the space provided in the related section of the request for DZIS-OK1 is not sufficient, the requested data shall be enclosed as a separate supplement to the Form in total content, indicating the number of the section to which the supplement refers to.

(3) The Office shall not examine data punctuality listed in the request for grant of a right to use of the protected geographical name.

Constituent elements of the application for grant of a right to use to domestic person

Article 9

If the grant of a right to use for the protected geographical name is requested for a domestic person the following attachments shall be enclosed to the request:

- 1) evidence on the activity pursued by the applicant;
- 2) evidence that inspection has been carried out, i.e., a certificate of the competent institution that the product manufactured by the applicant meets the requirements for granting of the right to use of the protected geographical name, shall be not older than 6 months, containing data of a possible annual capacity of the production;
- 3) evidence for paid fee;

Constituent elements of the application for grant of a right to use to foreign person

Article 10

(1) If the grant of a right to use for the protected geographical name is requested for a foreign person the following attachments shall be enclosed to the request:

- 1) Evidence that the person is an authorized user of protected geographical name in compliance of the national legislation in the country of origin and
- 2) Evidence for paid appropriate fee.

(2) As an evidence that the person is an authorized user of protected geographical name in the country concerned, a copy of official certificate or other legal act in the official language of the country of origin, as well as certified translation in Macedonian language in one copy, shall be considered.

**III THE REQUIREMENTS THAT THE INSTITUTION WHICH PREPARED
THE ELABORATION SHALL FULFIL AND THE REQUIREMENTS THAT
THE INSTITUTION WHICH PURSUES THE INSPECTION OF THE
SPECIAL FEATURES OF THE PRODUCT SHALL FULFIL**

Article 11

(1) The Elaboration shall be prepared by an institution which, depending on a type of a product marked by a protected geographical name, has appropriate expertised staff, as well technical conditions and is registered for pursuing of the relevant activity.

(2) The inspection shall be carried out by an institution which, depending on a type of a product marked by the protected geographical name, has appropriate expertised staff, as well technical conditions and is registered for pursuing of the relevant activity.

IV CONTENTS AND MANNER OF MAINTAINING THE REGISTERS

Register of applications for protection of the geographical names

Article 12

(1) Register of applications for protection of the geographical names shall contain:

- 1) GN - number and register number;
- 2) Filing data of the application;
- 3) Correspondence address; surname, name, address, telephone, fax and e-mail address;
- 4) Data of the applicant: surname, name and address of a natural person, i.e. company and registered seat of a legal person; name and seat of the association of the producers, title of the state body, i.e. local self-government unit;

 - 8) geographical name to which the application refers and indication that it is protected by an appellation of origin or by geographical indication;
 - 9) data for grant of a right for authorized user to a foreign person in the country of origin:
 - name of a country granting the right[
 - name and address of the institution granting the right;
 - register number of the user and

- number and date of the public certificate or legal act for granting of a right.
- 10) GN-number and register number of protected geographical name to which the application refers;
- 11) type of a product which shall be marked by protected geographical name and annual capacity of the production;
- 12) competent inspection institution;
- 13) data for the inspection pursued, Certificate, number and date;
- 14) data for the changes which refer to the person filing the application for grant of a right to use the protected geographical name and number and date of the request for a change;
- 15) data for the Office decision:
 - date of adoption of the decision for grant of a right to an authorized user;
 - register number of the authorized user;
 - name of the country of origin.
- 16) data for the judicial decision;
- 17) data for the Administrative Court decision
- 18) data for the request for continuation of the procedure and decision, and
- 19) data for the proposal of returning to the previous condition and decision.

(2) The Register of paragraph (1) in this Article shall be maintaining in an electronic form.

Register of protected geographical names

Article 14

- (1) Register of the protected geographical names shall contain:
- 1) register number of protected geographical name and GN- number;
 - 2) filing date of the application;
 - 3) data of the applicant: surname, name and address of a natural person, i.e. company and registered seat of a legal person; name and seat of the association of the producers, title of the state body, i.e. local self-government unit;
 - 4) representative data: surname, name and address of a natural person, i.e. company and registered seat of a legal person and registered number of the representative;
 - 5) geographical name indicating that it is protected by an appellation of origin or by geographical indication and the name of the country of origin;
 - 6) type of a product to which the geographical name refers;
 - 7) name of the geographical region from which the product originates;
 - 8) number and date of a decision;
 - 9) date of publication;

- 10) authorized users of protected geographical name (surname, name and address of a natural person, i.e. company and registered seat of a legal person; name and seat of the association of the producers and their registration number of authorized user);
- 11) data for the competent institution for inspection of a product (name and registered seat of a legal person);
- 12) data on the protection on behalf of a foreign person:
 - name of the country,
 - name and address of the institution that carried out the registration,
 - registration number of the geographical name and
 - number and date of the document, i.e., legal act providing for the registration,
- 13) data for changes in Elaboration, number and date of decision,
- 14) data for announcement nullity of the decision for grant of a right of use,
- 15) data for the judicial decision;
- 16) data for the Administrative Court decision;
- 17) data for the request for continuation of the procedure and decision, and
- 18) data for the proposal of returning to the previous condition and conclusion.

(2) The Register of paragraph (1) in this Article shall be maintained in an electronic form.

Register of authorized users of protected geographical name

Article 15

- (1) Register of users of protected geographical names, shall contain:
 - 1) Register number of the authorized user;
 - 2) OK - number and filing date;
 - 3) Data for the authorized user: surname, name and address of a natural person, company name and registered seat of a legal person, name and seat of the association of the producers;
 - 4) Representative data: surname, name and address of a natural person, i.e. company and registered seat of a legal person and registered number of the representative;
 - 5) Number and date of a decision;
 - 6) Date of publication (number of the Official Gazette of the Office);
